Parent Teacher Conferences

Parent-Teacher Conferences will take place **remotely** on **Wednesday, November 18th**. Meeting times will be offered during the day and evening on that Wednesday. Your individual classroom teacher will provide you with a digital sign-up sheet.

All students will be **remote** on this day, Wednesday November 18th. They will remotely join classroom morning meetings so that teachers can take attendance and then students will have independent, asynchronous work to complete. Your individual classroom teacher will provide more details about the classwork for that day.
The day after Parent Teacher conferences is Thursday, November 19th. That will be a regular hybrid school day with our Gray Cohort & Blazer Cohort attending in-person instruction and our Blue Cohort attending classes remotely. It will also be a Day 5 in the six day cycle.

**First Quarter Report Cards**

This has not been a traditional year, to say the least! Structurally, First Quarter Report Cards will look very similar to those you received last year. The same subjects and behaviors will be listed, along with space to provide a grade. What will be different is how your students are graded. There are some areas in which we feel very confident assessing your students, and in those areas, they will receive a grade or a rating. There are other areas in which we need more information to confidently quantify your student’s ability or performance with a grade or a rating. In those areas you will simply see an “NA.” That does not mean we have not worked with your student in this area at all; we just need more experience with them to provide a grade for it. That being said, you will see this area discussed in the comment section of the report card, and you will also have this area addressed during your parent teacher conference.

**Important Dates to Remember:**

- Wednesday, November 11th - District Closed in observance of Veteran’s Day, no school
- Friday, November 13th - First Quarter Ends
- Wednesday, November 18th - Parent-Teacher Conferences (ALL Students are fully remote this day)
- November 23, 24, 25 - Remote Learning for All Students
- November 26 - 29 - Thanksgiving Recess, no school

**In Closing…**

It has been a great first week back with students. Our Teachers and Staff are very happy to see students learning and having fun in the building and on our playgrounds. We are excited to welcome our Second Graders next week! Enjoy the beautiful weather this weekend!
