

2022-2023 6th Grade Supply List

Supply List:

- 6 dozen pencils (fun fact - many 6th graders lose a pencil a day!)
- **Earbuds or headphones**
- Soft pencil case
- Five hardcover marble composition notebooks
- Two LARGE boxes of tissues
- 12 squares of sticky notes/post-its (3x3) (not the ones that say “pop-up notes”)
- Scientific calculator - Texas Instruments - TI 30X IIS is preferred (to be kept at home)
- Sketchbook and pencils for Art class
- *Optional: Trapper Keeper to contain all materials*

Tissues and Post-its are to be delivered to your homebase teacher. If you store these items separately in a bag, they are easier for your child to bring to homebase. Everything else should be organized in their locker.

If you could label all supplies with your name, we will help you to label the rest during the first week of school.

Some supplies might need replenishing throughout the school year, i.e., pencils, extra composition notebooks, tissues.

Being prepared and organized is the first step towards a successful school year. We hope this list is helpful to you, and we look forward to the start of a new school year in the middle school environment. Please make sure students have readily available school supplies for use at home. See you in September.

Sincerely,
Team Six
